

## HP Photosmart R937 Digital Camera

### Overview

The HP Photosmart R937 Digital Camera takes photos to the next level with a large, 3.6-inch interactive touchscreen and superior 8-megapixel resolution. Ideal for those on the go – this stylish, remarkably thin camera easily slips into a pocket or purse. Users can apply creative touches, easily organize photos with Microsoft Vista™-compatible tags, add e-mail addresses for easy sharing and create slide shows – all in the camera. In addition, the HP Photosmart R937 Digital Camera includes the latest HP Design Gallery features such as industry-leading in-camera red-eye removal,<sup>(1)</sup> pet-eye fix, slimming, HP steady photo anti-shake and HP touch-up to ensure subjects look their best.

### Key Features and Benefits

- Take superior photos that can be cropped or enlarged with 8-megapixel resolution and Fujinon 3x optical zoom.
- View photos easily – indoors or out, using an energy-efficient 3.6-inch Auto-bright Display.
- Edit and organize photos directly from the easy-to-use, interactive touchscreen – no PC needed.
- Enjoy quick photo organization for easy sharing using the in-camera, Microsoft Vista™-compatible tagging feature and touchscreen menus.
- Easily add e-mail addresses or tags to the camera simply by tapping the virtual keyboard.
- Get the photo intended with HP Design Gallery's industry-leading in-camera red-eye removal<sup>(1)</sup> and pet-eye fix.
- Slim subjects and remove blemishes – in camera – with a unique slimming feature and HP touch-up.
- Add on-camera personal touches to photos using borders, colors and effects.
- Get more detailed photos with new automatic HP steady photo anti-shake mode and HP adaptive lighting technology.
- Stitch panoramic photos and save them for viewing and easy printing – no PC necessary.
- Catch gripping action shots with minimal delay with the easy-to-use burst mode.
- Capture spontaneous memories in high-quality video with audio.
- Snap a photo and mark it for e-mail right on the display, using HP Photosmart Share.
- Includes everything needed to start taking photos right out of the box, including a long-lasting, rechargeable battery and 32 MB of internal memory.
- Effortlessly share, save and print photos, plus order prints online, using HP Photosmart
